

# Land Acknowledgement

The land on which we gather is the territory of the Mohegan, Mashantucket Pequot, Eastern Pequot, Schaghticoke, Golden Hill Paugussett, Nipmuc, and Lenape Peoples, who have stewarded this land throughout the generations. We thank them for their strength and resilience in protecting this land, and aspire to uphold our responsibilities according to their example. Provided by the University of Connecticut

REPORT ON

[Skip Navigation Links](#)

These tables and charts show the employment and compensation experience of students who graduated from our 18 public colleges and universities in Connecticut from 2015-2016 through the 2019-2020 school years. The report also provides a summary of employment by industry sector and college system for graduates of each system of education.

For each cohort we show employment and wages the third quarter after graduation and for the third quarter of each year from 2018-2021 – the latest data available at the time this report was produced. Caution must be used when considering the earlier wages for they might include earnings while still enrolled in school.

All the data and analyses provided in this report reflect employment in Connecticut only and exclude self-employment and federal employment. Individuals not found to be working in Connecticut may have found employment in other states or may be continuing their education (i.e., attention on employment in other states, the federal government, and self-employment are not available for this analysis).

### April 2nd 2022 Help Wanted OnLine Data Series

During the week ending April 2nd, 2022, there were 9,146 new postings, up 628 new ads or +7.3% over the week. Connecticut's 7.3% growth slightly outpaces the 6.6% growth nationally and was driven by increases in Accommodation & Food Services, Educational Services, and Manufacturing. These three industries grew by a combined 532 new ads. Industries that tempered overall growth with declines include Health Care & Social Assistance, Real Estate, and Transportation & Warehousing, which respectively fell by -197, -117, and -74 new ads. Employers that added the most ads over the week include The Home Depot (+84 new ads), Masonicaire Corp. (+70 new ads), and Raytheon (+64 new ads). The total count of weekly job ads for the week ending April 2nd is 31% above corresponding levels from a year ago.

**Tool & Die Makers****Also called:** Tool and Die Machinist, Tool and Die Maker, Tool and Fixture Specialist, Tool Maker[Print](#) [Share](#)[Watch Career Video](#)**What they do:**

Analyze specifications, lay out metal stock, set up and operate machine tools, and fit and assemble parts to make and repair dies, cutting tools, jigs, fixtures, gauges, and machinists' hand tools.

**On the job, you would:**

- Verify dimensions, alignments, and clearances of finished parts for conformance to specifications, using measuring instruments such as calipers, gauge blocks, micrometers, or dial indicators.
- Set up and operate conventional or computer numerically controlled machine tools such as lathes, milling machines, or grinders to cut, bore, grind, or otherwise shape parts to prescribed dimensions and finishes.
- Visualize and compute dimensions, sizes, shapes, and tolerances of assemblies, based on specifications.

**KNOWLEDGE****Engineering and Technology**

- mechanical
- design

**Math and Science**

- arithmetic, algebra, geometry, calculus, or statistics

**Manufactured or Agricultural Goods**

- manufacture and distribution of products

**Arts and Humanities**

- English language

**SKILLS****Basic Skills**

- keeping track of how well people and/or groups are doing in order to make improvements
- thinking about the pros and cons of different ways to solve a problem

**Problem Solving**

- noticing a problem and figuring out the best way to solve it

**ABILITIES****Hand and Finger Use**

- hold or move items with your hands
- put together small parts with your fingers

**Ideas and Logic**

- notice when problems happen
- group things in different ways

**Verbal**

- communicate by speaking
- listen and understand what people say

**PERSONALITY****TECHNOLOGY**

They do well at jobs that need:

- Attention to Detail
- Dependability
- Persistence
- Cooperation
- Independence
- Initiative
