

NEW WEEKLY JOB POSTINGS FROM HELP WANTED ONLINE

Office of Research

Week Ending February 4th, 2023: New Ads fall 12% Over The Week

WETHERSFIELD, February 10th, 2023 – During the week ending February 4th, there were 6,662 new postings, down 942 new ads or -12% from a week ago. Most of this decline occurred in Manufacturing (-341 new ads), Professional, Scientific, & Technical Services (-93 new ads), and Retail trade (-88 new ads). The employers with the largest respective new ad declines in those three industries were Raytheon (-245 new ads), KPMG (-87 new ads), and Sherwin Williams (-21 new ads). Occupations with the largest decrease and increase over the week were Retail Salesperson (-67 new ads) and Supervisors of Food Prep & Service Workers (+63 new ads). Among the employers with the most ads, most were within Health Care & Social Assistance, which accounted for 11 of the 25 employers with the most ads. Yale-New Haven Health System (275 new ads), Community Health Center, Inc. (112 new ads), and Hartford Healthcare (89 new ads) had the most ads within that industry. During the past five weeks of 2023, total new ads in Connecticut have ranged between 5,991 and 7,604 new ads. This range is much narrower than the weeks ending in late 2022 as is shown in the graph below.

Industries with the most new postings include Health Care & Social Assistance, Manufacturing, and Retail Trade.

Occupations with the most new postings include Registered Nurses, Retail Salespersons, and Wholesale & Manufacturing Sales Representatives.

Employers with the most new postings include Yale-New Haven Health System, Community Health Center Inc., and Hartford Healthcare.

The three industries with the most new job postings were:

- **Health Care & Social Assistance** (1,730 new postings, -2% over the week)
- **Manufacturing** (556 new postings, -38% over the week)
- **Retail Trade** (547 new postings, -14% over the week)

During the week ending February 4th, 2023, the 942 new ad decrease is the net result of a combined 1,065 ad decline among fourteen industries and a combined 123 ad increase among five industries. Manufacturing had a 341 new ad decrease over the week, which follows a 337 new ad increase during the prior week. Most of this can be attributed to Raytheon which was down 245 new ads over the week after having increased by 234 ads in the prior week. During the week ending February 4th, the five increasing industries grew by 72 new ads or less. Accommodation & Food Services had the largest increase (+72 new ads) and the employer with the largest increase in that industry was Starbucks' Coffee (+47 new ads).
