Fourteen sectors had job posting decreases over the week, one was unchanged and six had increases. The 14 increasing industries fell by a combined 2,736 new ads over the week while the six increasing industries grew by a combined 237 new ads. Health Care and Social Assistance (-1,524 new ads) made up about 55 percent of the decline, and most of the gains among the six increasing industries occurred in Accommodation & Food Service (+163 new ads). That sector had the third highest count of job ads during the past week and displaced Finance and Insurance, which is usually in the top three.
